TRAINING REGULATIONS

Dogs must be at least six months old or be registered in Puppy Pre-School or Beginning Conformation class.

Junior handlers (under the age of 18) may participate in training classes provided that a parent or guardian is available at all times throughout the class.

Bitches in season are not permitted to participate in training classes. Handlers should attend class and work their bitches at home on exercises performed in classes missed.

All dogs must have shots appropriate for age and breed. A copy of the dog's shot record should be given to the Trainer within ten (10) days of the first training session. The Trainer reserves the right to bar from classes any dog suspected of having a contagious disease.

The required training equipment consists of an appropriately fitted collar and a four to six foot leather, cotton or nylon leash. No flexi-leads allowed.

At the discretion of the Trainer, fighters and/or overly aggressive dogs may be barred from training sessions.

Functional training attire that will allow kneeling should be worn. Closed toe, soft-soled shoes must be worn. If you do not wear this type of shoe, you will not be allowed to train, however, you may stay and watch the training session.

You are responsible for cleaning up after your dog. Paper towels and disinfectant spray are available within the building. Please walk your dog outside in the back of the building near the dumpster. Please clean up after your dog, inside and out. Failure to clean up after your dog may result in you being barred from further training sessions.

In the event of inclement weather, please call our main phone line (757-725-0321) or visit our website at www.justsayk9sports.com. If classes are canceled, a message will be left in both locations.
